Summary

A passionate learner. Always seeking to expand and improve skills as a developer. Graduated from UCLA with a B.A. in Psychology and a J.D. from Cardozo Law. Previously worked in law with a focus on helping start-ups get off the ground. Helped secure multiple deals and licensing agreements. Now bringing that passion to the field of web development and helping bring projects to life.

Technical Skills

Languages: HTML, CSS, JavaScript, SQL
Tools: Node, Express, React, MySQL, GraphQL, JQuery, Bootstrap, MongoDB, Github, EJS, Handlebars

Projects

Food Heroes | **Github Link** | **Deployed Link**
- Mock social media app based on sharing experiences at restaurants
- Allows users to create a new account or login using their google account, create and save a list of restaurants they wish to go to or create and save a list of restaurants they have been to, and create simple blog posts
- Worked on this project in a group of three. Assisted on the back-end of development in connecting app with database for user login and account creation, and also worked on front-end in creating website layout. App was created using JS, CSS and SQL. Tools used included EJS, Passport.JS, and MySQL.

Tech Blog | **Github Link** | **Deployed Link**
- Mock social media site that allows users to create a new account, login, create user posts, edit posts, delete posts and comment on the posts of other users.
- Sole author of this project. Utilized Javascript, CSS and SQL. Tools used included Handlebars.js and MySQL.

Note Taker | **Github Link** | **Deployed Link**
- Note taker app that allows users to create, edit and delete new notes
- Sole author of this project. Utilized JavaScript, HTML, CSS. Tools used included Express.

Good Apples | **Github Link** | **Deployed Link**
- General product review aggregator that utilizes reviews from various retailers
- Worked on this project as a group of three. Mainly served as the front-end designer, and utilized skills in HTML, CSS, JavaScript and tools in jQuery and Bootstrap to bring project to life

Work Experience

RPET Certified Environmental, LLC., New York, NY
Legal Counsel, January 2021-December 2021
- Conducted legal research and drafted memo
- Drafted various licensing, partnership and independent contractor agreements
- Researched various ESG guidelines for client and helped implement those into company's business plan
- Helped secure multiple international deals and business partners in both the EU and Asia
- Successfully negotiated a 3% increase in royalty fees with a licensee

Benjamin N. Cardozo School of Law, New York, NY
